WELCA touches many lives

Dear WELCA,

Thank you for your visit, prayers and concern. I'd like to say a big thank you to all the Prayer Shawl Ministry for the beautiful shawls. Yes, indeed we have been hugged by God. ~Bless you! J and J

Greetings from Williamsburg, VA...

Just a little note of appreciation for the shawl that was sent to me by my Mom. Delores made my shawl and I love it...but more importantly, the message of caring it represents! ~God Bless You! D

Dear WELCA,

Thank you for helping me go to Riverside year after year! It is such an awesome week! We sing, study, pray together, talk about how to keep God in our lives as teens and how to show God to others. I wouldn't be able to go if you didn't help my family pay for it. I hope someday I can help other kids go to camp too! Thank you so much!!

~~~~~

Dear Ladies of the church,

Thank you for serving my father's funeral lunch, your kindness and warmth supplied us with the perfect setting for family to gather and share.

~~~~~

Dear St. James Lutheran,

Thank you so much for thinking of our elementary school. We are so grateful for your donation of hats, mittens, & box tops. They are greatly needed & put to great use for the kids!

“On behalf of the congregations and community, we thank the Lord Almighty and our Christian brothers and sisters who donated these items for which we have been in need of. We pray that God will continue to bless them in all their undertakings.”
